FOR THE

PHOTO-ENGRAVING INDUSTRY

As Approved on August 21, 1934

ORDER

APPROVING AMENDMENT OF CODE OF FAIR COMPETITION FOR THE
PHOTO-ENGRAVING INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of an amendment to a Code of Fair Competition for the Photo-Engraving Industry, and hearings having been duly held thereon and the annexed report on said amendment, containing findings with respect thereto, having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order No. 6543-A, dated December 30, 1933, and otherwise; do hereby incorporate, by reference, said annexed report and do find that said amendment and the Code as constituted after being amended comply in all respects with the pertinent provisions and will promote the policy and purpose of said Title of said Act, and do hereby order that said amendment be and it is hereby approved, and that the present sub-section (f) of Section 7, Article VII, and Section 5 of Article VII be deleted; and that the previous approval of said Code is hereby modified to include an approval of said Code in its entirety, as amended.

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

GEORGE BUCKLEY,
Division Administrator.

WASHINGTON, D.C.,
August 21, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the proposed amendment to the Code of Fair Competition for the Photo-Engraving Industry as approved by you on December 23, 1933. The proposed amendment is to be known as Sub-section (f) of Article VII, Section 7. It was noticed for Opportunity to be Heard on June 23, 1934. No criticisms of, objections to or suggestions concerning this amendment were submitted to the Administration within the time limit allowed by the Notice of Opportunity to be Heard, which expired on July 6, 1934.

The amendment gives the Code Authority under the Photo-Engraving Code the power to collect assessments, and makes it a violation of the Code for an establishment to fail to pay such assessments when the budget and basis of contribution of a Code Authority has been approved by the Administrator.

The proposed amendment does not in any way affect the labor provisions of the Photo-Engraving Code.

The Deputy Administrator in his final report to me on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provision of said Title of said Act, including without limitation Sub-section (a) of Section 3, Sub-section (a) of Section 7 and Sub-section (b) of Section 10 thereof.

(c) The Photo-Engraving Code Authority was and is the highest governing body of the Photo-Engraving Code and truly representative of the aforesaid industry, and has applied for this amendment.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

I believe the amendment to be fair to labor, to the consumer, and to the industry, and for these reasons, therefore, I approve this amendment.

Respectfully,

HUGH S. JOHNSON,
Administrator.

AUGUST 21, 1934.

MODIFICATION TO CODE OF FAIR COMPETITION FOR THE PHOTO-ENGRAVING INDUSTRY

The modification proposed in such application is to be known as Sub-section (f) of Article VII, Section 7, and is as follows:

1. It being found necessary in order to support the administration of this code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized, subject to the approval of the Administrator,

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the industry;

(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contribution as above set forth by all members of the industry, and to that end, if necessary to institute legal proceedings therefor in its own name.

2. Each member of the industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the industry complying with the code and contributing to the expenses of its administration as hereinabove provided, (unless duly exempted from making such contributions,) shall be entitled to participate in the selection of members of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

3. The Code Authority shall neither incur nor pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the Administrator shall have so approved.

Approved Code No. 180—Amendment No. 1.
